

## **PARENT CONTRACT**

Here at Little Tree Playschool, we ask that all parents, and/or guardians sign an agreement to follow the guidelines that we have established to help keep your child/children feel safe and secure.

We ask that all parents/guardians and families follow our sick policy. It is important to remember that by you following our guidelines, it helps prevent the spread of sickness throughout the school. We understand that this may be a great inconvenience to you and your family, but it helps keep sickness from spreading, therefore keeping teachers and other students healthy.

Please do your best to have your child/children here on a consistent basis, and in a timely manner. This is what is best for them. When children know exactly what to expect each day, it benefits them tremendously. They find security in knowing what their day is going to look like.

Parents/guardians, and other authorized adults are required to check their child/children in and out of school each day. We can help you out occasionally, but according to licensing, it is the parent/guardian, or authorized adult that is required to do so.

We consider our school to be a part of this community, and with that comes a responsibility to be respectful, welcoming and inclusive to all humans. We apply this way thinking into the way we teach and work with the children at our school. So we encourage the same from our families.

In signing this contract, you understand our policies and philosophy here at Little Tree Playschool.

**CHILD'S NAME:** \_\_\_\_\_

**PARENT'S/GUARDIAN'S NAME:** \_\_\_\_\_

**DATE:** \_\_\_\_\_
